

## BUILDING RENOVATION UPDATE – 01-26-11

We are in midst of renovation!

This week our new water service is being hooked up and the restrooms under the sanctuary are being finished. As soon as these two are completed, we will move our child care to its temporary location under the sanctuary and work can begin on installing the stairwells and elevator.

Work continues on the new office area. The HVAC duct work is being installed and electrical service is being made ready.

THANK YOU to the following volunteers who have helped in the few weeks: Cal, Gloria, Clark, Seth, and Chase Gress, Rob Horky, Maxine White, Mike Aldrich, Steve Govier, Herb Roeser, Rob Leigh, Jeff & Michael Roscoe, Teague & Luke Sutherland, Del & Connie Anderson, Brice McDowell, Marilyn & David Moseman, & Gary Hesman

VOLUNTEER OPPORTUNITIES are nearly always available. Contact Pastor Jay to find out what is needed this week.
