Journeys

One of my favorite things about Trinity is that everyone is always kind and talkative. They are always open to questions and they are always honest and supportive. Another thing that I like about Trinity is that we have a lot of things that we do for others outside the church like the food box, Loaves and Fishes, and more. These help many people around us in our community. It feels good when you donate something to other people so they can feel better themselves. Another reason I enjoy church is that we all get to be a part of the Trinity family together, and we can help each other out. We also get to make new friends in Confirmation, and in other things as well. I remember one summer when I went to Vacation Bible School and I met new people that I am good friends with now.

One reason I want to become a member of the church is because I want to get closer to God and to be able to learn more about the Bible, Jesus, and God. I also want to learn more about what I need to do as a human to be able to have the best life on earth possible. Another reason why I want to become a member of this church is because I want to have stronger friendships with the people around me and in church. I want to be able to feel that I am a member of this church and that I can ask anyone anything, and they will respond with their honest opinion while also not being rude about it. I want to have a sense of belonging. I feel that I am getting ever so close to that goal because of Confirmation. Lastly, I want others to feel how I do about asking questions. I want them to feel free to ask me something and get an honest answer. I am really looking forward to being Confirmed.
