

JOURNEYS

I have been here almost one year and I can tell you all with honesty that I have loved my time here. I love this Congregations willingness for change. I know that I have brought change. Some things worked others did not, but together we continue to work on growing.

Right now there is change happening in Miller Hall, Change getting ready to happen this Summer with Sunday BBQs, New Associate Pastor coming this summer and change happening out on the prayground with the community garden.

As I reflect on all these current and upcoming ‘changes’ it can seem overwhelming, yet very exciting. I ask that all of you be in prayer for all the wonderful events that are happening and will be happening as we continue our journey together.

- Rev. April
